Kapolei, HI | EIN: 99-2856117
SAM.gov Registered | CAGE Code Pending

Mana Kai supports defense contractors and commercial companies pursuing government contracts with security programs that meet DoD and Intelligence Community requirements. Services include Facility Clearance support, DCSA inspection readiness, SCIF compliance, and security program development. **Clients get direct access to senior-level expertise without the cost of a large firm.**

CORE CAPABILITIES

Facility Clearance (FCL) Support and Sponsorship Guidance

Advisory support for companies pursuing a Facility Clearance. Covers sponsorship strategy, NISPOM-compliant program standup, required documentation, and process guidance from initial eligibility through final clearance grant. Designed for commercial companies entering GovCon that need to get cleared quickly and correctly.

Industrial Security and NISPOM Compliance

FSO advisory services, self-inspection preparation, DD Form 254 execution, DCSA inspection readiness, and corrective action planning for contractor facility security programs.

Personnel Security

Clearance processing support, access management, adjudicative guideline analysis, and insider threat program integration.

SCIF and ICD 705 Support

Full lifecycle support for SCIF planning, construction oversight, and accreditation. Credentials include CST, SSM, and the Practical SCIF Construction Course through the National Security Training Institute.

Proposal and Acquisition Support

Security volume development, PWS and SOW security input, DD Form 254 preparation, and RFP security requirement analysis for government proposals.

Security Program Development

Design and implementation of security programs, policies, and SOPs built to pass inspection and sustain compliance over time.

Security Staffing and Surge Support

Cleared professionals available for program stand-ups, DCSA inspection periods, and surge requirements across FSO, CSSO, SSM, and CST roles.

Sound familiar? FCL delays or confusion? | DCSA inspection gaps? | SCIF not meeting requirements? | Proposal missing a security volume? | No cleared FSO on staff?

WHY MANA KAI?

Proven Experience

17 years across DoD, Industrial Security, and IC programs. Security programs managed by George Mayette have earned multiple DCSA Superior ratings, the highest inspection outcome awarded by DCSA.

U.S. Coast Guard Reserve Officer

Commissioned Reserve officer serving with Port Security Unit 312, a Coast Guard expeditionary unit that deploys in support of port and waterway security operations. Current duties include personnel security oversight, COMSEC accountability, and
